

2020-21 Preston High School Senior Project

Parent Verification Form

The student's parent or legal guardian is to check/initial each statement below and both the guardian and student are to sign at the bottom verifying the statements are understood.

_____ I understand the PHS Senior Project is both a Preston School District and State of Idaho graduation requirement. Preston High School gives a required academic credit for the project.

_____ I understand that the PHS Senior Project is to be a capstone/culminating learning venture. The value of the project and the grade compensation will reflect how well the student "stretches" himself/herself.

_____ I understand that if the student completes all other district graduation requirement but fails the Senior Project, he/she must Complete the IDLA senior project in order to obtain a late diploma. The Franklin County HS senior project will not be accepted in this case.

_____ I understand that students must successfully complete all aspects of the senior project (the proposal/acceptance process, a minimum of 20 multi-discipline learning activity hours, an academic research paper, a portfolio, and a formal presentation). Failing any part will result of failure of the full project.

_____ I understand that the last Monday of September of the student's senior year is the last day for students to submit a chosen senior project topic. After that day a topic will be assigned.

_____ I understand that absolutely no time spent doing any aspect of the project prior to the proposal being accepted by the project committee can be applied toward the 20 required hours.

_____ I understand that although no personal dollar cost is required to complete the project, the student is fully responsible for all costs of activities they choose to plan and do.

_____ I understand that because there is no in-school class time for the project. Student must complete the project outside of school time and are expected to use PowerSchool, the senior project website, and announcements from Senior English teachers to be informed of project requirements and due dates. All due dates posted on PowerSchool are final.
